Mr. and Mrs. Smith,

Thank you for your interest in the Building Blocks Summer Camp. Our program offers your child the chance to learn how to improve their health in a fun and engaging way. Proper health starts with a good understanding of what is required to maintain or improve your personal health. From learning we can build ourselves up and truly live. Through our courses your child will learn:

- Proper eating habits
- Increased understanding of how their body functions
- What recreational activities are best for them

Building Blocks Summer Camp runs for 4 week from June 1st 2015 - June 29th 2015. Registration for the camp starts May 1st. Thank you for your interest in the Building Blocks Summer Camp and we look forward to hearing from you.

Sincerely,
Carey Hawkins
